

Heswall Hall

Alexander Room

This is ideal for business meetings, art classes, bridge clubs, children's parties and smaller functions. It is fully equipped with audio-visual equipment and forms the Alexander Suite when combined with the Barnston Room.

Capacity	People
Theatre Style	40
Cabaret Style	25 - 30
Dimensions	
Room Size	6.7m x 7.7m

Alexander Suite

By opening the soundproof panels between the Alexander and Barnston rooms, both rooms combine to create the Alexander Suite. This is an ideal function space for classes, meetings and children's parties and offers all the benefits of the Alexander Room but with a larger capacity.

Capacity	People
Theatre Style	60
Cabaret Style	30 - 40

Audio Visual

A drop-down projector screen is available together with a fixed roof projector and a laptop or AV presentation device can be plugged into this system.

There is a sound system with fixed loudspeakers and microphones are available. Music can be played from a CD or DVD player and there are audio inputs for your own phone/tablet or MP3 player.
