

Heswall Hall

Stage and Dressing Rooms

We have the largest fully equipped stage on West Wirral, the complete specifications of which are available on request. Our stage is fully configurable with a range of staging layouts making it suitable for dramatic performances and theater shows, as well as all manner of live music, comedy and entertainment.

Our two dressing rooms are separated by a folding room divider which can open both rooms into one. The larger section is approximately 4m x 5m and the smaller section is approximately 3.5m x 5m. Together they have two toilets and a wash basin and are ideal for

- performers during theatrical productions and concerts
- as a changing room for weddings and parties
- small exercise or dance classes
- a small meeting area or syndicate room seating up to 12 people
